Independent Auditors' Report and 2022 Parent Company Only Financial Statements

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Taiwan Surface Mounting Technology Corp.

Opinion

We have audited the accompanying parent company only balance sheets of Taiwan Surface Mounting Technology Corp. (the "Company") as at December 31, 2022 and 2021, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the parent company only financial position of the Company as at December 31, 2022 and 2021, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits of the parent company only financial statements in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the parent company only financial statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountants in the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the parent company only financial statements of the year ended December 31, 2022. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters. Key audit matters for Company's parent company only financial statements of the current period are stated as follows:

Valuation of allowance for inventory valuation losses

Description

For a description of the accounting policy on inventory valuation, please refer to Note 4(11); for accounting estimates and assumption uncertainty in relation to inventory valuation, please refer to Note 5(2); and for information on the allowance for inventory valuation losses, please refer to Note 6(6).

As of December 31, 2022, the Company's inventories and allowance for inventory valuation losses amounted to NT \$1,486,983 thousand and NT \$238,411 thousand, respectively. The Company is primarily engaged in design, processing, manufacturing and trading of TFT-LCD panels, general electronic information products and PCB surface mount packaging. In addition, the Company also manufactured made-to-order products. Taking into consideration that those products have short life spans and are affected by the fluctuating market price of TFT-LCD panels, there is a higher risk of inventory losses due to market value decline or obsolescence. Inventories are stated at the lower of cost and net realisable value. The net realisable value which was used in the individual identification and valuation of allowance for inventory valuation losses, involved subjective judgment and uncertainty of estimation. As the Company's inventory and allowance for inventory valuation losses are significant to financial statements, as well as being significant to the Company's subsidiaries, which are recognised as investments accounted for using equity method, we identified inventory valuation loss as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Assessed the reasonableness of policies and procedures related to the provision of allowance for inventory valuation losses based on our understanding of the Company's operations and the characteristics of its industry.
- B. Understood the Company's warehousing control procedures. Reviewed the annual physical inventory count plan and observed the annual inventory count in order to assess the effectiveness of the classification of obsolete inventory and internal control over obsolete inventory.
- C. Verified whether the inventory aging report that were used to assess obsolete and slow-moving inventories was correct, including changes in inventories being classified according to inventory aging.
- D. Checked the appropriateness of the estimation basis adopted by the Company for the evaluation of net realisable value, verified accuracy of inventory selling and purchase prices and recalculated and evaluated the reasonableness of allowance for inventory valuation losses.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditors' Report and 2022 Consolidated Financial

Statement

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Taiwan Surface Mounting Technology Corp.

Opinion

We have audited the accompanying consolidated balance sheets of Taiwan Surface Mounting Technology Corp. and subsidiaries (the "Group") as at December 31, 2022 and 2021, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities* for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountants of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Group's 2022 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2022 consolidated financial statements are stated as follows:

Existence of revenues of the newly top 10 significant customers

Description

Please refer to Note 4(27) for accounting policy on recognition of revenue and Note 6(18) for details of sales revenue.

Considering that the customers' demand has changed, the Group adjusted its product type. There were changes in sales customers resulting from changes in market demand and introduction of new products. As the sales revenue from the newly top 10 significant customers are significant to the consolidated financial statements, we consider the existence of sales revenue from the newly top 10 significant customers a key audit matter.

How our audit addressed the matter:

We performed the following audit procedures on the above key audit matter:

- A. Obtained the evaluation data of the newly top 10 significant customers, completed an understanding of the Group's transaction counterparties, and assessed new transaction counterparties based on the internal controls.
- B. Obtained detailed listing of sales revenue, performed detailed tests for the newly top 10 significant customers and verified relevant evidences including customer sales invoices, purchase orders and delivery documents.
- C. Inspected contents and relevant evidences of the newly top 10 significant customers in relation to sales returns and discounts occurring subsequent to the reporting period and assessed the reasonableness of respective sales revenue recognised.

Valuation of allowance for inventory valuation losses

Description

For a description of the accounting policy on inventory valuation, please refer to Note 4(13); for accounting estimates and assumption uncertainty in relation to inventory valuation, please refer to Note 5(2); and for information on the allowance for inventory valuation losses, please refer to Note 6(6).

As of December 31, 2022, the Group's inventories and allowance for inventory valuation losses amounted to NT\$5,006,338 thousand and NT\$571,912 thousand, respectively. The Group is primarily engaged in design, processing, manufacturing, and trading of TFT-LCD panels, general electronic information products and PCB surface mount packaging. In addition, the Group also manufactured made-to-order products. Taking into consideration that those products have short life spans and are affected by the fluctuating market price of TFT-LCD panels, there is a higher risk of inventory losses due to market value decline or obsolescence. Inventories are stated at the lower of cost and net realisable value. The net realisable value which was used in the individual identification and valuation of allowance for inventory valuation losses, involved subjective judgment and uncertainty of estimation. The Group's inventory and allowance for inventory valuation losses are significant to the consolidated financial statements. Thus, we identified the valuation of allowance for inventory valuation loss as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- A. Assessed the reasonableness of policies and procedures related to the provision of allowance for inventory valuation losses based on our understanding of the Group's operations and the characteristics of its industry.
- B. Understood the Group's warehousing control procedures. Reviewed the annual physical inventory count plan and observed the annual inventory count in order to assess the effectiveness of the classification of obsolete inventory and internal control over obsolete inventory.
- C. Verified whether the inventory aging report that were used to assess obsolete and slow-moving inventories was correct, including changes in inventories being classified according to inventory aging.

D. Checked the appropriateness of the estimation basis adopted by the Group for the evaluation of net realisable value, verified accuracy of inventory selling and purchase prices and recalculated and evaluated the reasonableness of allowance for inventory valuation losses.

Other matter - Parent company only financial reports

We have audited and expressed an unqualified opinion on the parent company only financial statements of Taiwan Surface Mounting Technology Corp. as at and for the years ended December 31, 2022 and 2021.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Taiwan Surface Mounting Technology Corp. Rules and Procedures of Shareholders' Meeting

(Amendment passed by the annual shareholders' meeting on July 29, 2021)

- I. Unless otherwise specified by law or the Articles of Incorporation, the Company shall proceed its shareholders' meetings according to the terms of the Rules.
- II. The shareholders' meeting shall furnish the attending shareholders with an attendance log to sign, or attending shareholders may hand in a sign-in cards in lieu of signing in. The number of shares represented during the meeting is calculated based on the total amount registered in the attendance log or the sign-in cards collected, where voting rights are exercised in writing or through electronic means, those numbers shall be added.
- III. Votes and attendance in a shareholders' meeting are determined by the number of shares represented during the meeting.
- IV. The location of shareholders' meetings shall be the Company's current location or such other place that is convenient for shareholders to attend. The meetings shall not commence earlier than 9 a.m. or later than 3 p.m.
- V. If a shareholders' meeting is convened by the Board of Directors, the meeting shall be chaired by the Chairman of the Board. When the Chairman of the Board is on leave or for any reason unable to exercise the powers of the Chairman, the Vice Chairman shall act in place of the Chairman; if there is no Vice Chairman or the Vice Chairman also is on leave or for any reason unable to exercise the powers of the Vice Chairman, the Chairman shall appoint one of the Managing Directors to act as the chair, or, if there are no Managing Directors, one of the Directors shall be appointed to act as the chair. Where the Chairman does not make such a designation, the Managing Directors or the Directors shall select from among themselves one person to serve as the chair.
 - For shareholders' meetings convened by any authorized party other than the Board of Directors, the convener will act as the meeting chair.
- VI. The Company's lawyers, certified public accountants, and any relevant personnel may be present at the shareholders' meeting.Organizers of the shareholders' meeting must wear proper identification or arm badges.
- VII. Entire proceedings of shareholders' meeting shall be recorded on audio or video tape and preserved for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

VIII. The chair shall call the meeting to order at the appointed meeting time while announcing relevant information such as the number of non-voting rights and the number of shares present. In the event that the meeting is attended by shareholders representing less than half of the total issued shares, the chairperson may announce a postponement of the meeting, however, there may not be more than two postponements in total and the total time accumulated in the postponement(s) shall not exceed one hour. If the quorum is not met after two postponements, but the attending shareholders represent one third or more of the total number of current outstanding shares, a tentative resolution may be adopted pursuant to Paragraph 1, Article 175 of the Company Act.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of current outstanding shares, the chair may resubmit the tentative resolution for a vote by the shareholders' meeting pursuant to Article 174 of the Company Act.

IX. If the shareholders' meeting is convened by the board of directors, the board of directors shall determine the meeting proceedings. The proceedings shall not be changed unless resolved during the shareholders' meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the power to convene that is not the Board of Directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders' meeting.

After a meeting adjourned, shareholders may not elect another chair to continue the proceeding of the meeting at the same or a new place, provided that, if the chair declares the adjournment of the meeting in a manner in violation of the rules of procedure, a new chair may be elected by a resolution to be adopted by a majority of the voting rights represented by the shareholders attending the said meeting to continue the proceeding of the meeting.

X. Shareholders who wish to speak during the meeting must produce a speech note detailing the topics and the shareholder's account number (or the attendance card serial number). The order of shareholders' comments shall be determined by the chair.

A shareholder who has submitted an opinion slip but does not actually speak shall be deemed to have not spoken. If the contents of speech are inconsistent with the contents of opinion slip, the contents of speech shall prevail.

When a shareholder attends the shareholders' meeting, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor. The chair shall stop any violation.

XI. Each shareholder shall speak no more than twice, for five minutes each, on the same agenda item unless otherwise agreed by the chair.

The chair may stop shareholders from speaking if they violate the rules or speak outside the agenda item under discussion.

XII. When a juristic person is appointed to attend the shareholders' meeting, it may designate only one person to attend on its behalf.

Where a corporate shareholder has appointed two or more representatives to attend the shareholders' meeting, only one representative may speak per agenda item.

- XIII. After the shareholder has finished speaking, the chair may answer to the shareholder's queries personally or appoint any relevant personnel to do so.
- XIV. When the chair at a Board meeting is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call a vote.
- XV. The chair will appoint a ballot scrutineer and a ballot counter; the ballot scrutineer must be a shareholder. The outcome of the vote shall be documented and announced on site.
- XVI. The chair may put the meeting in recess at appropriate times.

If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including special motions) on the meeting agenda have been addressed, the shareholders' meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders' meeting to defer or resume the meeting within 5 days in accordance with Article 182 of the Company Act.

XVII. A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179 of the Company Act.

When the Company holds a shareholders' meeting, it may allow the shareholders to exercise voting rights by correspondence or electronic means. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders' meeting notice.

Matters regarding the shareholders attending the shareholders' meeting by proxy obtained through solicitation and non-solicitation means shall be governed by the Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies propagated by the securities competent authority.

Unless otherwise regulated by the Company Act or the Articles of Incorporation, an agenda item is passed when supported by shareholders who represent more than half of the total voting rights in the meeting.

An agenda is considered passed if the chair receives no objections from any attendants. This voting method is as effective as does the conventional ballot method.

XVIII. When there are any amendments or alternative solutions for the same proposal, the chair shall combine these amendments/alternative solutions with the original proposal and decide their priority for voting. If any resolution is passed, all other proposals shall be deemed rejected and no further voting is necessary.

- XIX. The Chairman may instruct pickets (or security staff) to help maintain order in the meeting. The pickets (or security personnel) shall wear armbands with the word "picket" when trying to maintain order.
- XX. The Rules and any amendments hereto shall be implemented after adoption by shareholders' meetings.

Procedures for Election of Directors

(Amendment passed by the annual shareholders' meeting on June 13, 2019)

- I. Except as otherwise provided by law and regulation or by the Company's Articles of Incorporation, elections of directors shall be conducted in accordance with these Procedures.
- II. The cumulative voting method shall be used for election of the directors of the Company. Each share will have voting rights in number equal to the directors to be elected, and may be cast for a single candidate or split among multiple candidates.
- III. The Board of Directors shall prepare separate ballots for directors in numbers corresponding to the directors or supervisors to be elected. The number of voting rights associated with each ballot shall be specified on the ballots, which shall then be distributed to the attending shareholders at the Shareholders' Meeting.
- IV. Before the election begins, the chair shall appoint a number of counting personnel and persons with shareholder status to perform the duties of vote monitoring to implement their duties.
- V. For the election of directors, the ballot boxes shall be prepared by the Board of Directors and publicly checked by the vote monitoring personnel before voting commences.
- VI. If the candidate is a shareholder, the voters must fill in the candidate's shareholder's account name and the shareholder's account number in the "elected person" column of the ballot. If the candidate is not a shareholder, the voters must fill in the candidate's name and ID number. However, when a government or legal person shareholder is a candidate, the name of the candidate on the ballot shall be filled in with the name of the government or legal person, or the name of the government or legal person and the name of its representative may also be filled in. When there are several representatives, the names of the representatives should be added separately.
- VII. The elections of independent directors and non-independent directors are held together, and the vote counting and announcement of elected directors are executed separately.

VIII.A ballot is invalid under any of the following circumstances:

- (I) A ballot which does not comply with the provisions of these Procedures.
- (II) A blank ballot is placed in the ballot box.
- (III) The writing on the ballot is unclear and indecipherable or has been altered.
- (IV) The shareholder's account number and account name of the candidate being entered in the ballot do not match the record in the shareholders' register, if the said candidate is a shareholder. The name and ID number of the candidate being entered in the ballot do not match, if the said candidate is not a shareholder.
- (V) Other words or marks are entered in the ballot in addition to the candidate's account name (name) or shareholder's account number (ID number) and number of voting rights allotted.
- (VI) No candidate's account name (name) or shareholder's account number (ID number) are found on the ballot.

- (VII) Two or more candidates are filled in on the same ballot.
- (VIII) The name of the candidate on the ballot is exactly the same with other shareholders but no candidate's account name or shareholder's account number are found on the ballot to differentiate them.
- IX. The election of directors of the company shall be conducted in accordance with the procedures of the candidates nomination system stipulated in Article 192-1 of the Company Act.
 - In the aforementioned election, based on the number of seats specified in the Articles of Incorporation of the Company and the results of the vote counting, the candidates who have won more voting rights represented by the obtained votes are elected as independent directors or non-independent directors separately. When two or more persons receive the same number of votes, thus exceeding the specified number of positions, they shall draw lots to determine the winner, with the chair drawing lots on behalf of any person not in attendance.
- X. The voting rights shall be calculated on site immediately after the end of the poll, and the results of the calculation, including the list of persons elected as directors and the numbers of votes with which they were elected, shall be announced by the chair on the site.
 - The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder
 - files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.
- XI. The Board of Directors of the Company shall issue notifications to the persons elected as directors.
- XII. Deleted.
- XIII. These Procedures, and any amendments hereto, shall be implemented after adoption by the shareholders' meeting.
